Circle of Caring Club

When hardships come: illness, loss of loved one, stress over a trying situation; whatever it might be, we will be there to pray for you, send a word of encouragement, and even hand deliver some baked goods to your door. WHY? Because **we care!** if you are interested in being a part of this club or if you or someone you know is in need, remember, you do not have to feel alone in your journey.

PLEASE NOTE: We will make every effort to respect the privacy of our friend in need. If a request is received for prayers, positive thoughts, food or other assistance, the Chair will verify with the friend in need that it is okay to send out an e-mail or message. Unless a friend in need verifies it is okay to share basic information, then very little detailed information will be given when the Circle Chair contacts our members with a request to help our friend. This way, we have made every effort to respect that person's privacy, if she so prefers.

Volunteering

Hearts and Hands

Hearts and Hands is an extension of NNL's mission; to bring people together, give generously of ourselves, be friendly and kind and to always greet someone with a smile. We hope to expand our social horizons into our community, give our talents, time, financial and material support where needed, and to brighten someone's day.

ALL NNL members are encouraged to bring a project or cause to Hearts and Hands to promote their endeavors. They meet once a term to select their projects and causes. Participation in any program is by simply joining in when it fits. An email list and the Sanddollar keeps members up to date.
