

SANDDOLLAR

NEW NEIGHBORS LEAGUE

CORPUS CHRISTI, TEXAS

Welcome to Corpus Christi,

We are all different in origin,
Adjusting to new surroundings
While seeking fun and friendship.
We wish to be friendly and kind,
And to give generously of ourselves
to each other and our Club.
We refrain from being hasty in judgment,
And are united in our effort
To always greet someone new with a smile.

Hearts and Hands

Hearts and Hands is an extension of NNL’s mission; to bring people together, give generously of ourselves, be friendly and kind and to always greet someone with a smile. We hope to expand our social horizons into our community, give their talents, time, financial and material support where needed, and to brighten someone’s day.

ALL NNL members are encouraged to bring a project or cause to Hearts and Hands to promote their endeavors. They meet once a term to select their projects and causes. Participation in any program is by simply joining in when it fits. An email list and the Sanddollar keeps members up to date.

Circle of Caring Club

When hardships come: illness, loss of loved one, stress over a trying situation; whatever it might be, WE will be there to pray for you, send a word of encouragement, and even hand deliver some baked goods to your door. WHY? Because **we care!** if you are interested in being a part of this club or if you or someone you know is in need, remember, you do not have to feel alone in your journey.

PLEASE NOTE: We will make every effort to respect the privacy of our friend in need. If a request is received for prayers, positive thoughts, food or other assistance, the Chair will verify with the friend in need that it is okay to send out an e-mail or message. Unless a friend in need verifies it is okay to share basic information, then very little detailed information will be given when the Circle Chair contacts our members with a request to help our friend. This way, we have made every effort to respect that person’s privacy, if she so prefers.

Prospective Member— Welcome to the Club!

Welcome to our Sparkling City! Corpus Christi is beautiful and has lots of fun activities for you and your family.

We are happy you are interested in joining the Corpus Christi Chapter of the New Neighbors League. Our club was created to give women who are new to our city (or not so new) the opportunity to meet other women in a welcoming environment while they get acquainted with their new city.

We were all new to Corpus Christi at one time and understand the challenges that come with a move. We hope you will join us and get involved in our activities.

Many of the women in our chapter get involved with NNL Clubs like the book club, the lunch bunch, first movie, genealogy, as well as clubs for couples. Some women enjoy participating in a leadership capacity as board members.

As a new member you will get to choose how involved you get with our chapter and how you fit it into your busy lifestyle. Whatever your choice is, we will make an effort to make you feel welcome and supported in your attempt to settle into your new city.

Please join us at the next coffee or luncheon. It will be my pleasure to introduce you to all your new friends.

Sincerely, Membership Chair

NNL History:

NNLC is the official social club of New Neighbors League, Inc. (NNLI), which was founded in Dayton, Ohio in 1939 by Theodore R Briggs, a former newspaperman. Out of the business of greeting new residents grew a recognized need for a social organization that allowed newcomers to meet others who were also new to the area.

The first Chapter was chartered in Cincinnati, Ohio in 1943. As the greeting service operations were established across the country, new club chapters were founded.

Dayton was home for NNLC until 1986 when Corporate and Club Headquarters were moved to Atlanta, Georgia. Presently there are fourteen operations nationwide. Each Chapter operates independently within established national guidelines and under the direction of a local Board of Directors.

Purpose:

The purpose of New Neighbors League Club (NNLC) is to bring together the new neighbors of the City so they may meet and become friends while adjusting to new surroundings. The Club is a not-for-profit social organization with a variety of interest groups and special activities, including monthly luncheons and speakers.
